

**Item No. E1021**  
**TSAIS Performance Rear Exhaust Pipe "Nitro Devil" for the Tamiya TNX**

**How to install the Nitro Devil pipe onto your vehicle:**

Kit includes pipe, manifold, mounting accessories and logo decal sheet.

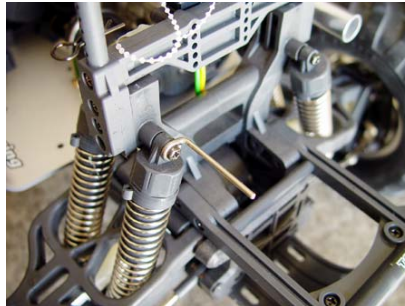

Remove fuel tank.

Install manifold.

Bent the wire as shown.

Install the wire onto the rear left shock mount using the stock screw.

Install the pipe.

Secure the pipe with zip ties and a M4 setscrew, and then install the stock rubber deflector onto the stinger.

After securing the pipe and deflector, install the pressure fitting fuel line...

**Now put some TSAIS logo decals on your body shell. Time to show off!**

**Warranty:** TSAIS exhaust systems are covered against manufacturer's defects in materials, workmanship or assembly when are new (before been installed). All warranty claims are handled by TSAIS/RCHub in the US, or authorized importers/distributors in your country or region.

**Notes:** Tamiya TNX is a trade mark of Tamiya.
